Snappy Closets - Maple

Product Specifications

Materials

Maple & Mahogany Plywood: Used for POD box construction.

-3/4" thick veneer core formaldehyde free plywood. Real wood veneer, either white maple or african mahogany.

-3/4" thick MDF core formaldehyde free sheet goods are used for all doors and drawer fronts. Real wood veneer, either white maple or african mahogany. All sheet goods have a UV resistant urethane factory finish.

Bamboo: Bamboo is a rapidly renewable, sustainable resource, with low-or-no-added urea formaldehyde adhesives for the production of the panels. 3/4" thick pre finished.

Kirei Board: Made from reclaimed sorghum straw and no-added-formaldehyde adhesive. 3/4" thick pre-finished.

Hardware: Drawer sides are metal Blum Metabox system with 3/4 extension glides. Drawer backs, bottoms and fronts are 3/4" thick plywood to match fronts.

-Hinges are Blum Euro-style fully concealed adjustable inset hinges.

-Door and Drawer pulls are contemporary brushed metal finish.

-Minifix RTA technology utilizing steel bolts and locking cams at every joint are used for box assembly. 3 pairs of steel bolts and locking cams are used at every joint.

Edge Banding: Real wood veneer edge banding that matches the fronts is used where the edges of plywood are visible.
